

# ZIP RACK

19" Racking System for Pro Audio & Comms Installation.

Durable, strong, attractive and lightweight. System features: • Painted in a tough black powdercoat finish • All uprights are fully punched for front or rear equipment mounting • Optional castors or castor tray for added mobility • Doors include two key locks (except the 9U models which are provided with a single key lock) • All doors are keyed alike • Supplied in flat pack form, assembles in minutes.

## ZipRack® 19" Open Rack Frames

Select a frame height based on how much equipment you would like to store. As a guide 1 unit of space = 44.45mm. If your equipment is deeper than 430mm we suggest using a 600mm deep frame.
